REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 2-5, 7, 8, 10, 12, 13, and 25-33 are allowed over the references of record for the reasons set forth in Applicant's 9/11/09 amendment and response. Applicant points out in particular that the closest prior art does not place a plurality of support structures being located directly underneath a solder bump, as recited in independent claim 27, or directly underneath a bond pad and substantially aligned with a center axis of the bond pad, as recited in independent claim 32. It is also noted that independent claim 12 requires the plurality of support structures to be disposed in matrix configurations, wherein the matrix configurations are uniformly distributed below and corresponding to a size of a bond pad disposed on the semiconductor device.

2. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
